March 2021 and Covid-19

Dear Colleagues

Since our last update, we have had the roll-out of the first phase of vaccinations. We are continuing with our Covid-19 secure procedures and are pleased to be able to confirm that our services are running as normal. If we have to change anything, we will let you know on our website.

We know that not all our Participants are UK NHS and so we hope that all your services are as near-normal as circumstances permit.

We are privileged to be an NHS department and proud to be part of the NHS based at University Hospitals Birmingham NHS Foundation Trust.

Best regards

Yours faithfully

Finlay MacKenzie
